

## Harbour Sailing Club & Sail Queen's Harbour

### Covid-19 Guidance and Protocols

**Note: The following guidelines meet or exceed QH POA, Duval County, Florida Yacht Club and US Sailing guidelines. Our Club is a member of US Sailing Association. Our Lead Instructors are Certified US Sailing Association Youth Instructors.**

- **By sending your youth to us, thank you, each parent/guardian affirms that, for each sailing day their youth(s) are well and not showing any of the advertised Covid-19 Symptoms.**
- **Each youth will have their temperature taken on arrival each sailing day by staff via no touch thermometer. When appropriate, each parent/guardian will advise as to range of normal for their youth.**
- **Each staff and volunteer coach will have their temperature taken on arrival each day in the same manner youth, and affirm their good health.**
- **Each parent/guardian will complete / hand in the Youth Membership and Waiver form upon arrival at 1st sailing session; and, advise staff if any health changes during program.**
- **For on land classes/chalk talks, youth will be required to wear masks. At parent discretion, youth should bring replacement masks.**
- **Instructors and volunteers will wear masks at all times.**
- **Sailing with instructors, youths shall wear masks. When sailing solo no masks required by youth.**
- **Parents should wear masks upon arrival and when closely observing sessions, and, as and when practical, social distancing.**

- **Instructors, volunteers and youth will practice social distancing as and when practical. Parent understand that most classes off and at docks and while sailing with instructor, require some up close interaction.**
- **Staff will use hand sanitizer at beginning and as appropriate each day. Sanitizer available for youth.**
- **Youth should bring water in their thermos bottle or carefully marked water bottle, sun screen, and any other amenities/snack, slickers. Replacement masks in their back packs.**
